RAINBOW LIFE SCIENCES PVT. LTD.

Rainbow - The Reach is Global

Rainbow Life Sciences Pvt. Ltd. is a manufacturer of finished formulation medication in the category of Cardiovascular, Pain management, Antidiabetic, Antihistamine, Oncology, and Antibacterial therapeutic segments.

Being amidst a few companies with single-minded focus on specific markets with an identified product pipeline, we distinguish ourselves by having an accomplished bearing in quality of service levels achieved to perfection over years of successful offerings. Our brands are leaders in their respective segments in many countries where we have rendered ourselves.

Our presence in more than 38 countries has enabled us to move towards excellence not just in perpetually ensuring quality of the offered product(s), but also service offerings. Rainbow is happy to be present in Latin America, Africa, Middle East, South and South East Asia and CIS countries. The level of our manufacturing units scale up to WHO GMP and accreditation from MOH of Vietnam, Kenya, Ghana, Nigeria, Uganda, Congo, Yemen, Sudan, and many more...

Further, we have been successful in deriving USA patents for herbal products in the category of Psoriasis Management Regime, Pain Management (muscle, joint pain, sporting injuries, and osteoarthritis) and Anti-Oxidant formula for healthy radiating skin and overall body health. While that, our range of herbal cosmetics can also be made available upon request.
